What Do Link Leaders Do?

Link Leaders are trained to work with the incoming freshman class who are entering Wilcox High School next fall.

After extensive training in August, the Link Leaders will run freshman orientation before school starts. At the orientation, each Link Leader will be given a small group of freshmen to work with that day and will be asked to befriend and to help that group during the first week of school with any challenges they may face.

During the school year, Link Leaders will continue to meet with their student groups to touch base, discuss problems, and plan social activities. We know that the more contact a freshman has with his or her Link Leader the more successful the freshmen will be.
