Who May Sign Up for Remedial Courses?
1. Students who have received an “F” or “D” in a course and need to retake that course.
2. Students who are deficient in credits.
3. PE/Health is open to students who need to retake that course or have not yet taken the course.

How many classes can I take each session? How many credits will I receive?
Students may take only 1 class per session and will earn 5 credits per session. Each session equals one semester.

**Note:** Students who need both semesters of a yearlong course will be given priority.

How do I enroll?
Applications will be available through your school counselor in late March. Application deadline will be Friday, May 6th.

Who receives priority?
Priority is determined by grade level (12th graders have top priority) for those who meet the application deadline. Students who need both semesters of a yearlong course will have priority enrollment in that course. Submitting an application or needing a class is not a guarantee for admission.

What if I don’t meet the deadline?
You can still turn in a late application to your counselor, but you will not receive priority. Late applications will not be accepted after May 27th and notification will be sent home to you by June 10th. There will be no walk-in registration.

What if I can’t attend the first day of Summer School?
Registered students who are not in class on the first day of each session (June 20th for Session 1 and July 5th for Session 2) will be dropped.

Will transportation be provided?
Transportation is provided for students who live North of Highway 101. Bus schedules will be available after May 20th in your attendance office.
