Back To School Night!

WELCOME BACK! Welcome back to the 2014-2015 school year. We will have our annual Back-to-School Night on September 3rd at 7:00 p.m. in the theater. After a general PTSA meeting and the principal opening statement, parents/guardians will be released to visit the teacher’s classrooms at 7:30 p.m. It is important to our teachers, and even more important, to your student, that you attend.

Each year when I think about the first day of school I remember how important this day is to students no matter what their age. They are excited, nervous, and anxious to meet up with friends or make new friends. Our staff spends numerous hours in the summer preparing for the first day for students. In spite of all that preparation, there is always something that we say after getting the students off to their first class, “We could have done better”. It is my vision that the first day for students will go smooth and that all students are made to feel welcomed by all staff members. It is my hope that they will have a schedule, know where to find their class, and have a friendly teacher waiting for them that has prepared an engaging lesson. For the most part, the first day went that way for most students. Thank you to all that made that possible: counselors and vice principals for preparing schedules; front office staff for proof of residency; staff and parent volunteers for distributing schedules and assisting those that had not yet completed proof of residency or had something wrong with their schedule; teachers for being prepared with lessons and classrooms that were set up and welcoming. It is definitely a team effort!

ACADEMIC BLOCK AWARDS – The Academic Block Award presentation will be held on October 1, 2014 at lunchtime in our beautiful new quad. We hope to make this special and we want to include all students in this event. The Academic Block Letter is awarded to students who have achieved a grade point average (GPA) of 3.75 or greater for both the Fall and Spring semesters during the 2013 – 14 academic year.

SCHOOLLOOP – If you have not yet signed up for School Loop, we will assist you in the main office. We have an easy to follow step-by-step instruction sheet. School Loop is an on-line source for you to check your student’s attendance, school work, and to communicate with the teachers.

STUDENT DROP-OFF/PICK-UP – Student pick-up and drop-off is restricted to the theatre parking lot. We ask that you please make arrangements with your student to be picked up there or on the Calabazas side street. We do not have a designated staff member to monitor this rule, so we are asking for your cooperation. It becomes a dangerous situation to have cars piled up before and/or after school in the front parking lot. This is an emergency and bus lane only. If it is blocked with cars, a fire or ambulance cannot get through. The other complication that occurs is our staff cannot get to their assigned parking area in the front parking lot. All stalls, unless marked visitor or handicap, are assigned parking spots for our staff. Please help us by following this rule.
WELCOME NEW TEACHERS – Please welcome our new teachers.

- Alex Christensen  Choir
- Cory Dobos  Science
- Janet Jackson  English
- Rila Lee  Math
- Margit Look Henry  SPED English
- Rizi Manzon  Culinary Arts
- Tony Swan  Spanish
- Nina Thananjeyan  SPED Science

We look forward to seeing you during Back-to-School night. Our teachers enjoy meeting you and presenting their classroom to you.

**ASB President’s message ~ Ashley Wong**

Hello! My name is Ashley Wong and I am extremely humbled to have the opportunity to serve as Wilcox’s ASB President for the 2014-2015 school year. I luckily have 16 stellar students who compose the ASB class here at Wilcox High School to work alongside throughout the school year. We have a brand new campus and brand new ideas for the coming up school year. Along with those new ideas comes Wilcox traditions and our first major project is the Annual Homecoming Week. Over the summer ASB determined the theme to be the Homecoming Heroes! The classes will each take their personal subtheme forward and create an amazing skit, class yell signs, and a show stopping float which will parade around the surrounding neighborhoods and the football field on Friday, October 24th. This year the Seniors will represent Batman, Juniors with Spiderman, Sophomores with Superman, and Freshmen with Ironman. This Homecoming will be an outstanding start to our activity filled year where we will also be hosting events such as spirit rallies, blood drives, Winter Ball, and Fantastics. The 2014-2015 ASB is ready to go and we cannot wait to show everyone what we have in store.

**SCUSD Student Parent Handbook Corrections**

Despite many sets of eyes proofing the Student Parent Handbook a major mistake has been found on the back cover (calendar page). The section should read:

Hey Wilcox Community, did you know that Wilcox has a few active eScrip accounts?

In these difficult financial times with bad news coming daily out of Washington and Sacramento, we need to help our schools in any way possible. If you shop at all, you can help our school *without it costing you anything more* than what you're already spending on groceries, clothes, gadgets, online or at restaurants.

Log on to [www.escrip.com](http://www.escrip.com) and register your Safeway rewards, debit, credit and Macy's cards; eScrip rebates a percentage of your purchases back to the Wilcox in cash monthly. It's a safe, easy and an effective way for our school to make some extra money. Wilcox has three groups with an escrip account:

- **5334381** – Adrian Wilcox High School – Athletics
- **500040368** – Wilcox High
- **500006396** – Wilcox Instrumental Music Boosters

Do you shop online? Make your online shopping count – eScrip has over 700 online merchant partners willing to contribute to schools. Earn up to 10%, or more, when you shop at the eScrip Online Mall or download the AutoTrack Software from the eScrip website to automatically ensure your shopping helps Wilcox.

If you've participated in eScrip before, you may need to update your information and/or add Wilcox to you list of groups. Your may split your contributions to up to three groups, so if you have kids at multiple schools you can feel good that you're helping all of your kid's schools. If you have forgotten your Safeway card number, you can call customer support at (877) 723-3929 and they will retrieve it.

How else can you financially support Wilcox?

- If you have a [Target REDcard](http://www.target.com), designate Wilcox *(school id#35740)* as your school of choice.
- Each time you shop at [Office Depot](http://www.officedepot.com), give them the Wilcox school id **70014867**. They will donate 5% of your purchase back to Wilcox.

*Thank you for supporting Wilcox through eScrip, Target REDcard, Office Depot giving programs!*
Wilcox Dads, Grads & Moms Booster Club

Is your student involved in sports?
Is your student interested in social clubs?
Is your student academically inclined?

Do you want your child to enjoy going to Wilcox?

If the answer to any of these is yes, then you should seriously consider joining Wilcox Dads, Grads, & Moms Booster Club, because we provide financial support to Wilcox H.S., which allows us to maintain its diverse opportunities.

DGM provides an average of $20,000-$25,000 a year in numerous ways to help make the academic year an enjoyable one. Sports teams benefit through uniforms, equipment and tournament fees. Groups designated on the back of the membership form receive $5 of dues paid as a donation. DGM offers scholarships to eligible seniors and has provided funds in the past for such things as field trips, Grad Night, and classroom equipment.

In order to accomplish this, we need parents to step up and volunteer a few hours of their time at one or more of the fundraisers we do throughout the year. Membership forms were included in your student’s registration packet, will be at football games, back to school night and it is also available on the school website under community-Dads, Grads & Moms.

Help us make 2014-2015 a successful year for Wilcox and your student. If you have any questions, I am usually working in the snack bar at football games. I will also be working the soda booth at the Art & Wine Festival, or see contact info below.

Sports Basement

Santa Clara Unified is very grateful to have a partnership with the community based Sports Basement. The Sports Basement Marketing Department has opened their doors by allowing Santa Clara Unified School District’s many schools/sports groups/interest groups to host meetings in their store (with free refreshments) and helping with fundraising efforts (shopping nights) during these tough budgetary times. On any given day when you go in and make a purchase just mention Santa Clara Unified School District at the register to receive 10% off your purchase and 5% goes back to help fund the Santa Clara Unified’s AED (Automated External Defibrillator) Project. An AED is the only device that will reset your heart if you are experiencing a Sudden Cardiac Arrest. There are AEDs (69) at every school site in the district as well as AEDs that travel with athletic teams to away competitions. The AED Project is strictly funded on donations and grants. Thank you for your support!
I’m excited to be back in my 2nd year as Head Coach of Wilcox Cheer. The coaching staff has many things that we are planning for the upcoming year. Brought back this year will be competing at local competitions throughout Northern California, starting at the Santa Cruz Beach Boardwalk on Sept. 27th. We are enthusiastic and motivated to see all the members branch out and challenge themselves.

UPCOMING EVENTS

The 14-15 Cheer Team has been chosen and consist of 29 members. These 29 members have prepared and worked very hard over the summer to learn the material to support the football and basketball teams. They look forward to supporting and bringing spirit to all the sports teams and school functions at Wilcox. In addition, they will learn routines to perform at games, rallies and competitions.

All members will be supporting the Santa Clara Art & Wine Festival on Saturday, September 13th and Sunday, Sept. 14th. Please come join them and enjoy the festival in Central Park. They are scheduled to perform at 1:00 pm on Saturday at the Meadow Stage (behind the new improved water pond).

Fundraisers

We will be selling DeBrito Apples beginning 9/4 until 9/18. They are BIG and YUMMY SCRumptious! In October we will be selling “Yankee Candles”. Beginning of November will be our SEE’S Holiday Candy Sales.

Shop at Lucky’s? Save Mart? FoodMaxx? Smart Foods?
We have a program for you, your friends and family! We have S.H.A.R.E.S. card which is absolutely FREE to give you. All you have to do is swipe the card when you are done shopping and before you pay. If you do this one little task, then the Wilcox Cheerleading Program will receive up to 3% of sales as a donation! These cards never expire and they are good all over the United States wherever there is a Lucky’s, Save Mart, FoodMaxx or Smart Foods. Please help us out! Contact Coach Bunny at Wilcox in the Bookkeeper’s Office (408) 423-2408 to receive your FREE card!

DONATIONS NEEDED

The Wilcox Cheer Program is looking for monetary donations to help costs. We are a self-funded group and receive NO budget from the school or district. We must provide items free of charge per the “Free Education” policy in the California Constitution, but as economics are tough, there are no budgets in the school or district to fund any the costs. Therefore, we need to raise about $1,000 per person to cover uniform, team bonding, warm-up outfits, competition fees and summer camp fees. If you would like to help support the cheerleading program with a monetary donation of any amount, please contact the Wilcox Bookkeeper (408) 423-2408.

Join "Drive 4 Pledges Day" Sept. 19 to End Texting While Driving

National PTA is proud to partner with AT&T's It Can Wait campaign. Drivers who read or send texts while behind the wheel are more likely to cause crashes—often leading to life changing injuries and even deaths.

We're excited to help take the It Can Wait movement one step further with "Drive 4 Pledges Day" on September 19. On this day, It Can Wait advocates will ask every driver to make a personal commitment not to text and drive—and recruit others to do the same. To succeed in making texting and driving a thing of the past, we're going to need every parent's help.

4 ways you can join the movement
1. Take the pledge online and share it via Facebook and Twitter with family and friends.
2. Watch and discuss the "From One Second to the Next" documentary with your family.
3. Set a good example; use apps like DriveMode or Safely Go to curb the urge to text and drive.
4. Sign a family pledge at the dinner table tonight.

Common Core Prepares Students for College, Career

Watch "Raising the Bar: Implications on Test Scores" a short video of school administrators and teachers discuss how Common Core helps to improve a student's college and career readiness.

National PTA recently released a Common Core video series to educate parents on the standards and empower them to support the transition at school and home. The series features 14 videos—developed in partnership with the Hunt Institute—to dispel the myths and provide accurate information about Common Core.

Watch the series at PTA.org/CCSSVideos. For more info, visit our Common Core website or contact Chrystal Jones.

Join the Wilcox Parents Yahoo Group!

Wilcox families, if you have questions about the school that other parents may be able to answer, we invite you to join the Wilcox Parents Yahoo Group. This group is also used to provide information to and from parents, including announcements of upcoming events, etc.

It should be noted that the Wilcox Yahoo Group is not sponsored or administered by the PTSA or the Wilcox High School staff. It is solely a parent-driven forum.

To join, please send an email to: wilcox_parents-subscribe@yahoogroups.com

After doing so, you will receive an email that describes how to communicate using the Yahoo Group. You will also be sent a list of guidelines created to help ensure that the group is used the way it was intended.

If you have any questions or need additional information, please don't hesitate to contact us: Lillian Kwiatkowski - lgkwiat@gmail.com or Michelle Philips - michelle_philips@yahoo.com
