The Viral Video Contest 2018 Official Rules and Terms

Please review these official rules before entering the contest. Minors must obtain the consent of their parent or legal guardian to enter the contest.

Contest Description

Responding to the fact that one in two young people will get a sexually transmitted disease (STD) by age 25 and most won’t know it, the Get Yourself Tested (GYT) campaign is about creating a youth driven social movement around getting tested for STDs. GYT encourages testing as an act of pride, not shame, and promotes an open dialogue about STDs by encouraging youth to get themselves tested and spread the word.

Santa Clara County Public Health Department’s STD/HIV Prevention & Control is sponsoring a GYT themed video contest, The Viral Video Contest, for Santa Clara County high school students, in recognition of STD Awareness Month in April. STD/HIV Prevention & Control is looking for youth to produce a unique video (30 – 90 seconds) directed at their peers in order to encourage and normalize STD & HIV testing.
