Wilcox Community,

Springtime is here and the spring semester is flying by. Graduation and the end of the school year will be here before we know it and there is still so much to accomplish. Student registration is almost complete meaning our incoming 9th grade students as well as our current 9th-11th grade students are finalizing their course selections for next year. Seniors are beginning to solidify their plans for next year. It is a great time to make an appointment with your student’s counselor to check in on your student’s plan.

Here are some recent highlights as well as information you should be aware of as the spring semester progresses:

**Charger Achievement Data Snapshot for Fall 2017**
- 621 Chargers earned a 4.0 or above
- The average GPA of a Charger was 3.25
- 60% of Chargers earned a spot on the Honor Roll

**Student Walkout**
On March 14, 2018 Charger student leaders organized and led a walkout to honor and remember the victims of the school shooting in Parkland, Florida. This was part of a nation-wide movement organized by students across the United States. During the event, the victim’s names were read and a row of 17 chairs sat empty in the middle of the quad- one for each victim. Approximately 300 students stood silently and respectfully for the 17 minute tribute and then returned to class. Students also wrote letters to the victim’s families offering their condolences and support. These letter will be sent to the school. While school staff did not participate in the planning of this event, we did have staff present to ensure a safe environment for students. This student-led demonstration was a true example of our Student Learner Outcome- “Be Charger Strong”.

**Testing**
CAASPP
Testing will take place the week students return from Spring Break, April 24th-27th. Juniors will test all four days. Student room assignments are TBD. Check School Loop for ongoing testing updates.

If your student has not picked up their cap and gown, please send them to the ASB office to do so. Arrive early to ensure you are able to get into the stadium before the ceremony starts. The ONLY entrance to the campus/stadium available will be the large gate on the east side of the main gym (near Monroe). The Calabazas gates will be locked for this event. Limited parking is available in the main parking lot and theater parking lot. More parking is available in the surrounding neighborhood. Additionally, we would like to request that families not bring air horns to the graduation ceremony. Many times these horns go off while a student’s name is being read and families miss the opportunity to hear their student’s name. We appreciate your cooperation and look forward to a beautiful ceremony where we can recognize all of our seniors on this outstanding accomplishment.

Go Chargers!

Letter from the Newsletter Editor

It’s been my privilege to serve the Wilcox community through quarterly newsletters along with my co-editor, Vibeka Sen Sisodiya.

Based on readership and the many electronic forms for announcements for Wilcox activities and events, we are re-defining our communication strategy. The hardcopy newsletter will now go out only annually at the residency verification mailing in the summer. At residency verification, parents and students will receive the Wilcox Connection, a compilation of announcements about clubs, activities and events for the coming year.

Further announcements throughout the year will be handled via communication channels to be announced after the survey results are processed.

All, please complete the Communications Survey at this link:

Here's the link: https://goo.gl/forms/RNNx79OGlnVVFbSq1

Check in with the school website to learn more about upcoming changes for the website and communication channels for Wilcox.

Have a Great Summer Everyone!

Karen Shemwell, Newsletter Co-Editor, 2017-2018

Wilcox Dads, Grads & Moms Booster Club

For any of you who have been to my talk on College Financial Aid Planning, the handout that is available on the schoolloop website is slightly out of date already as Congress retroactively reinstated some provisions last month. If anyone has questions about the information I give at my talk, feel free to email me your questions.

The last fundraiser of the year will be the annual Lupus 5K Run, Saturday morning, June 9th, which we do the timing for. Watch your email for a call for volunteers. It is a very easy fundraiser for the club and is easy money.

If you have a student who plans to go on to college after leaving Wilcox, their first focus should be to work hard on getting the best education that Wilcox has to offer. As you know, the schools continually face budget cuts from the state each year. This makes funding provided by DGM and other groups all that much more important. To ensure that their education stays at a highly effective level takes not only committed teachers and administrators, but committed parents too. As I write this, we are now almost three quarters of way through the school year, it is time to start lining up parents to serve on the board for Dads, Grads & Moms for the 2018-2019 school year. For this organization to survive and continue with the large amount of financial support to the school, we will need some new parents participating who are committed to providing as much support as possible to keep Wilcox at the top of the scale of excellence. Our meetings are only once a month (Wednesdays) during the school year and most meetings are fairly short. Please contact me via email (see below) if you want additional information about what is involved in serving on the board.

Lastly, seniors, be sure to check out the career center for the scholarship applications for the DGM scholarships, or the Mary Shaddle scholarship. Eligibility is listed in the instructions and they are due back by April 23rd. You can also access these on the schoolloop website under Parent/Community. Graduation is not far off.

Congratulations to a very special Wilcox parent, **Jolene Soares**! Jolene received an **Outstanding Service Award** for her contributions to Wilcox HS from the SCU Council PTA at their Spring dinner. One award per school was given based on community nominations. Jolene has been an active PTSA board members in countless capacities, a SCUSD substitute teacher, and tireless volunteer and student advocate for over 15 years. Her children, Jessica and Travis Soares are Wilcox junior and freshman, and Chad and Brooke are college sophomore and senior. Thank you, Jolene, for all you have done to make Wilcox and SCUSD better for all our kids.
2017-2018 PTSA HONORARY SERVICE AWARDS!

Nomination deadline April 24, 2018

It’s always time to honor individuals and organizations for outstanding contributions to youth and community.

Consider nominating any student, teacher, volunteer or administrator who has provided outstanding service to our youth or community. Nominees do not need to be PTSA members, and all nominations will be considered. The Wilcox High School PTSA Honorary Service Award Selection Committee will make final award decisions.

The Honorary Service Award is given to individuals by the PTSA in recognition of outstanding service to children and youth. The HSA Program includes the following:

- **Very Special Person (VSP)** may be given to recognize an individual or group.
- **Honorary Service (HSA)** may be given to an individual or organization in special recognition of outstanding service to children and youth.
- **Continuing Service (CSA)** may be given to an individual or organization in special recognition of continued service to children and youth, and may or may not have received a California State PTA Honorary Service Award.
- **Outstanding Teacher (OTA)** may be given to recognize a teacher for outstanding service to children and youth.
- **Outstanding Administrator (OAA)** may be given to recognize an administrator for outstanding service to children and youth.
- **Golden Oak (GOSA)** is the most prestigious PTA award in California. This award may be given to an individual or organization that has made significant contributions to the welfare of children and youth in the school or community.

A person may receive more than one of any of these awards.

Funds contributed to the HSA Program provide resources for the California Scholarship and Grant Program. The Wilcox PTSA also contributes thirty dollars for each recipient to the Honorary Service Award Fund to the California Congress of Parents and Teachers. This revolving fund makes loans to deserving students in different fields of education beyond high school.

Nominations for the 2017-2018 school year are now being accepted online through the school website:

Submit the form online.

Wilcox High School/Community/PTSA/Honorary Service.
Deadline to submit a nomination is April 24, 2018.
